### Описание товара

### Характеристики товара

Led Chip Manufacturer:Osram

Brand Name:iJDM

220i-Year:2015,2014

External Testing Certification:CE

Light Source:LED

BMW Model:220i

Year:2016

Item Weight:0.70

Material Type:Philips Luxeon LED

Lumens:4500

External Testing Certification:CE

Base:H7 H4 H13 H8 H9 H11 9005 9006 H16 9004 9007 H7 H1 H3 H4 H10 H16

Interchange Part Number:For Head Lamps Headlights &amp; Fog Upgrade

Base2:9004 9005 HB3 9011 9006 HB2 9007 9008 9

Item Diameter:100

Voltage:12v-32v

Lens:Not Included

For Vehicle Brands/Model:BMW

Special Features:4500lumen

Led Beam Type:Universal

Car Model:Common

Item Type:Fog Lights

Model Name:H8 H11 9005 9006 H1 H3 H4 H7 9007 9004

Warranty:Yes

UPC:Does not apply

Other Part Number:Philips Luxeon LED w/ Removable Fan-less Heatsink

Base1:H1 H3 H4 H7 H8 H9 H11 H13 H16

Base3:5202 H16 PSX24W

### Описание товара

**NOTE: Our items come with retail box.**

These high powered LED headlight bulbs are the pinnacle of car technology - with the new innovative futuristic design all the way to the superior lighting output. The LED headlight bulbs are powered by Philips Luxeon LED emitters to give you unparalleled lighting output like no other. You will also notice the sleek shape of the LED headlight bulb, which is a specially designed shape that has perfect precision ensured to give your bulb the brightest shine.

The LED headlight bulb also has a removable fan-less heatsink and base for optimum flexibility and a painless installation. This coupled with the waterproof ballast from the connector to the adapter ensures longevity and durability. For drivers who are in the pursuit of premium engineering, these LED headlight bulbs are definitely second to none.

**NEW**

LED light source - Extreme Output

**PHILIPS Lumileds**

**Anti-glare Reflector**  
(reflecting more light on the road)

**LUXEON Z ES CHIP**

UP to 160LM/W  
Philips Lumileds  
LUXEON Z ES chip

**LED Features:**

- ✓ Heat resisting
- ✓ Extreme output
- ✓ Higher lux value
- ✓ Higher stability
- ✓ Long service life
- ✓ Nice light beam

**NEW**

**INSTALLATION TIPS**

PLEASE DON'T LIGHT UP, PLEASE TRY REVERSE THE POLARITY (It is around) since  
LED bulbs are polarity sensitive.

For wedge base bulbs, you also can try push the metal pins on the wedge  
base a little upward and downward, and then re-insert it to try.

**NEW**

### Item Description

Condition: Brand New      Operating Voltage: 12V      Light color:white  
 Length:88.5inches      Diameter:16mm

### Fitment

These high powered LED headlight bulbs are the pinnacle of car technology - with the new innovative futuristic design all the way to the superior lighting output. The LED headlight bulbs are powered by Philips Luxeon LED emitters to give you unparalleled lighting output like no other. You will also notice the sleek shape of the LED headlight bulb, which is a specially designed shape that has perfect precision ensured to give your bulb the brightest shine.

The LED headlight bulb also has a removable fan-less heatsink and base for optimum flexibility and a painless installation. This coupled with the waterproof ballast from the connector to the adapter ensures longevity and durability. For drivers who are in the pursuit of premium engineering, these LED headlight bulbs are definitely second to none.

## Features

Powered by Philips Luxeon® LED emitters with an amazing 2500 Lum lighting output

Specially designed shape with perfect precision to give your LED bulb the optimal beam pattern

All new designed removable fan-less heatsink and base to give you more flexibility to install this LED bulb easily, plus has a waterproof ballast from the connector to the adapter

## 6S Series Fanless LED Headlight

### Introduction

#### Innovative technology

Unlike the traditional LED headlight bulbs eliminating their body heat by surface initiative radiation or by fan passively exhausting, **LED 6S** headlight utilizes aerodynamic principle effectively to dissipate the heat generated by the power passing through the LED chips. The front part of **6S** headlight is made of top grade high density aluminum 6063(201W/m.k), copper PCB(398W/m.k), it can transfer the heat on the LED chips quickly to the headlight back part, a heatsink specially designed to use air convection principle to achieve a natural cooling effect. The innovative design successfully solves a lasting technical problem in LED headlight manufacturing, it is an amazing progress and will lead a new trend in future market.

#### Heat conductivity analysis

Copper PCB  
(Heat Conductivity up to 398W/m.k)  
Top Grade High Density Aluminum 6063  
(Heat Conductivity up to 201W/m.k)  
Dow Corning Silicone Grease  
(Heat Conductivity 30W/m.k)

#### Material Heat Conductivity Quick Reference

Pure Copper	: 398W/m.k
Pure Aluminum	: 237W/m.k
1070 Aluminum (extrusion)	: 226W/m.k
1050 Aluminum (extrusion)	: 209W/m.k
6063 Aluminum (extrusion)	: 201W/m.k
6061 Aluminum (extrusion)	: 155W/m.k
A360 Aluminum (die-cast)	: 96.2W/m.k
A380 Aluminum (die-cast)	: 113W/m.k
ADC12 Aluminum (die-cast)	: 96.2W/m.k
Dow Corning Silicone Grease	: 30W/m.k
Common Silicone Grease	: 1-5W/m.k

#### Heat dissipation illustration

Nano Cooling Material  
(Highly effective in heat dissipation)  
Oversized Surface Area  
with reasonable spacing

#### Light source and light beam design

Philips Halogen Bulb H4 LED Bulb

Anti-glare Low Beam Design Super bright High Beam Design

#### LED light source - Extreme Output

PHILIPS Lumileds  
LUXEON Z ES CHIP

LED Features:  
✓ Heat resistant  
✓ Extreme output  
✓ Higher lux value  
✓ Higher stability  
✓ Long service life  
✓ Nice light beam

#### 6S VS similar products

**Specifications:**  
Model: H4  
LED Brand: Luxeon ZES  
Power: 30W  
Cooling method: Air convection  
Voltage: 12V 24V DC  
PCB: Pure Copper  
Life span: >50,000 hrs  
Heat sink: 6063 Aluminum  
SPL (lx): 5,000 (low beam)  
SPL (lx): 4,000 (high beam)  
Heat sink surface: Quadrad  
Dims: 5.5x4.5x3.5mm (approx)  
Available in other types: YES  
Price: Very cost effective

## More Demonstration Pictures

**Note:**  
In order to make sure these bulbs will fit or work, please double check OEM Bulbs Guided for a reference guide.  
All of our LED bulbs are designed for easy DIY installation & direct replacement. If LED bulb doesn't light up after installation, please simply re-insert it oppositely (because LED bulb has polarity like a battery).  
Delivery day: 3 days after fulfill the payment

### Package Includes

2x LED bulbs=1 pair

**Tips:** We will repackage this item to reduce shipping weight paper and bag waste. We guaranty the item will be well treated and protected. Let's protect the environment together!

### Payment Policy

We accept ESCROW as payment.

### Shipping Policy

1. Your item(s) will be dispatched within **3 business days** from verified payment.
2. **Delivery time** (The shipping time may be different if delayed by the courier or customs):  
 ----**By Airmail Shipping:** Generally, about **7-21 working days** to USA, CA, AU, UK or Other Countries and Areas.  
 ----**By Express Shipping:** Generally, about **5-10 working days** to USA, CA, AU, UK or Other Countries and Areas.
3. We will ship to ESCROW's address **only**. Please make sure your address in ESCROW is matched with your shipping address before you pay.
4. We will **not** be responsible for any delay during delivery including but not limited to customs postage checking, strike, force majeure etc.
5. **As a buyer**, it is your duty to pay the tax when you make a order from abroad. Our price does not include taxes, VAT, or other hidden charges.
6. **We can ship items by China Post & Hongkong Post airmail, and the following express shipping method.**

\*Estimated Delivery Time of China Post Air Mail and Hongkong Post Air Mail:

### Return Policy

**Return of product is accepted provided:**

**1. When the parcel reaches you**, please check all the parts and goods quantity inside before signing it. If there is any damage, missing items or wrong quantity, please do not sign it and request the post office or the delivery company to

issue some relative certification in order for compensation. Also, please contact us regarding the problem as soon as possible. Once you have signed the parcel, it means that you have no doubts about the products as well as the quantity and the transaction is deemed to be completed. We will be not responsible for any claim on missing items and damaged

**2. Request for return is submitted** in form of email to us within 7days from you received the item, and the item must be in **ORIGINAL** condition, buyer must return the item using postal service with tracking number, and the buyer is responsible for the return shipping fee.

## Feedback

### Positive Feedback

Shop with confidence. We strive to earn your positive feedback and a perfect score on our Detailed Seller Rating (DSR). If any reason you uncomfortable leaving us a perfect score, **please contact us and we will do everything in our power to ensure a successful transaction.**

## About Us

Please feel free to contact us whenever and whatever. We will be always here for you.

Please contact us about the details of all.

Please leave us 24 business hour to answer your email of concerns

Enjoy shopping with us. Thanks.
